PROFESSIONAL SUMMARY

Front-end Engineer with experience in developing and deploying software solutions for diverse industries and organizations. Optimized front-end code for speed and efficiency while employing engineering best practices in responsive design and accessibility standards. Realized significant improvements in user engagement metrics by architecting scalable solutions with React and other frontend technologies. Identified and resolved technical debt and contributed towards the prototyping of innovative solutions.

EMPLOYMENT HISTORY

Frontend Developer, AlEtihad Cooperative Insurance Co. Al Khobar, Saudi Arabia

Dec. 2023 - Sep. 2025

- Delivered multiple large-scale digital solutions, including the **AlEtihad Website**, **Unified Customer Portal**, **Labor System**, **Strategy System**, **KPI Management System**, and the **AlEtihad Mobile Application (Flutter)**.
- Built **responsive and scalable web applications** with React, focusing on **intuitive UI/UX** and seamless cross-device performance.
- Translated complex insurance and enterprise workflows (policy management, labor processes, strategic planning, KPI tracking) into **intuitive, user-friendly interfaces**.
- Applied **component-based architecture, state management, and reusable UI patterns** to enhance maintainability and speed of delivery.
- Collaborated with cross-functional teams and stakeholders, contributing to AlEtihad's **digital transformation strategy** and improving both customer and employee experiences.

Frontend Developer, dZone Solutions. LAHORE, Punjab, Pakistan

Dec. 2023 - Sep. 2025

- Led the **frontend development** of multiple client projects, delivering responsive, user-friendly web applications with **React, Bootstrap, and TailwindCSS**.
- Developed **admin dashboards, booking portals, and customer-facing websites**, ensuring scalable architecture and smooth integrations.
- Translated business requirements into **intuitive UI/UX designs**, enhancing customer engagement and overall usability.
- Implemented **role-based authentication, reporting dashboards, and real-time booking workflows** to optimize client operations.
- Mentored junior developers, conducted code reviews, and maintained coding standards to ensure **clean, reusable, and maintainable codebases**.

- Collaborated with cross-functional teams in **Agile environments**, ensuring timely delivery of features and continuous product improvement.
- Utilized **Git/GitHub** for version control and project collaboration, supporting efficient team workflows and CI/CD practices.

Frontend Developer | UI Developer, Appliconsoft. LAHORE, Puinjab, Pakistan

Dec. 2020 - Nov. 2023

- Developed and maintained web and mobile applications using **HTML**, **CSS3**, and **Javascript.**
- Built cross-platform UIs, ensuring consistent design and performance across all devices.
- Implemented mobile-first designs with **React Native** and web frameworks like **React.**js.
- Optimized applications for performance and scalability, enhancing user engagement.
- Collaborated with designers to translate wireframes into functional, interactive interfaces.

UI Developer | HTML/CSS, Vvork Cloud Technologies. LAHORE, Punjab, Pakistan

Oct. 2019 - Dec. 2020

- Created intuitive web applications with **HTML5** and **CSS3** to enhance user engagement.
- Converted wireframes and mockups into responsive layouts, ensuring pixel-perfect execution.
- Implemented clean code practices and semantic HTML to boost accessibility and **SEO** performance.
- Collaborated with cross-functional teams to troubleshoot and resolve UI issues, improving site performance.
- Employed tools such as **Git** and **Jira** for efficient project management and team collaboration.

SKILLS

HTML5, CSS3 (SASS/LESS), JavaScript (ES6+)	*Expert*
Responsive Web Design, Cross-Browser Compatibility	*Expert*
Progressive Web Apps (PWAs) & WebAssembly	*Expert*
Full-Stack Awareness	*Experienced*
UX Sensibility	*Experienced*
Git (GitHub, GitLab, Bitbucket, SVN)	*Experienced*
Project & Team Collaboration Tools (Jira, Trello, Confluence, Slack, MS Teams)	*Expert*

TOOLS & TECHNOLOGIES

React Native | **IONIC** | **React JS** | **Vue JS** | **Angular** | **PHP** | **Laravel** | **WordPress** | **Shopify** |

Tailwind CSS | **Bootstrap** | **LASS/SASS** | **Shadcn UI** | **Figma** | **Adobe XD** | **Adobe Illustrator (AI)** |

Adobe Photoshop (PSD) | **Git/GitHub** | **Jira** | **Confluence** | **Responsive UI Design** | **Cross-Browser Compatibility** |

Performance Optimization | **Accessibility (WCAG)** | **Design-to-Code Conversion (Figma/XD/PSD to HTML/CSS/React)**

EDUCATION

Virtual University, LAHORE, Punjab, Pakistan

Bachelor of Science, Computer Science, Dec. 2024

Aspire College Gulberg, LAHORE, Punjab, Pakistan

Intermediate, Computer Science, Aug. 2019

St Anthony's High School, LAHORE, Punjab, Pakistan

High School Diploma, Computer Science, Jun. 2017
